

Agricultural Service Technician

Watrous New Holland is seeking an individual to fill an Agricultural Service Technician position. This individual will be responsible for the use of safe and effective methods of assembly, repairing and/or reconditioning of equipment to meet the degree of customer satisfaction as required, while providing maximum profit to the dealership. While knowledge of agricultural products and previous experience is preferred, the employer is willing to provide necessary training.

Watrous New Holland is a growing Agricultural Equipment dealer with 3 locations across Central Saskatchewan, including Watrous, Raymore, and Yorkton.

Centrally located amongst Saskatchewan's largest cities, Watrous is a growing community of 2,500+ people with all of the amenities the big cities, with a small town feel just minutes from the beach!

General duties and responsibilities of an Agricultural Service Tech include, but are not limited to:

Apply skills in assembly, disassembly and repair to various machines and their components

Reconditioning and repairing of all engines, transmissions, tractors and other varieties of outdoor power equipment as assigned by the shop manager

Performance of service on diesel, electrical, and hydraulic equipment and systems

Maintaining knowledge of various machines, and reporting to the service manager any additional work required in assuring proper operation and safety

Following of all safety rules, regulations, guidelines and practices when working

Maintains a clean and tidy work area, free of all possible hazards

Maintaining and caring for all shop tools, equipment and vehicles being used

Completion of maintenance and other records as required

Handling of customer service and problems in a polite and tactful manor

Completing all other duties as assigned by the shop manager and supervisor

Qualifications

Able to demonstrate a solid working knowledge of a variety of agricultural equipment

Must possess and maintain a current driver's license

Wage/Salary

Watrous New Holland offers competitive wages and comprehensive benefit packages.
